

Vision Statement

We see a people transformed by God's love, equipped by God's Word and empowered by His Spirit, strengthened through encouraging fellowship, united in building a Jesus-centered church, bringing life to every heart and sphere of society.

We see healthy, multiplying churches spreading to strategic locations to reach as many as possible and bring them into God's family of believers.

Our Core Values

- **Jesus at the Center**
Our vision is Jesus. He is the foundation of everything we do, and we strive to glorify him in all areas of life.
- **Welcoming**
We are a church that embraces both Thais and non-Thais, creating a bilingual environment that reflects God's inclusive love. We are committed to making every person feel seen and known—whether it's through a warm greeting, easy integration into LifeGroups, or simply a welcoming atmosphere in every space we create.
- **Belonging**
We believe that people can belong before they believe. Our church is a place for everyone to find connection and community through outreach events, social gatherings, and other opportunities to develop meaningful relationships, where all feel valued and accepted.

- **Growing**

We are committed to the spiritual growth of every person, grounded in biblical teaching, fellowship, prayer, and worship. Our LifeGroups and church activities are designed to help individuals grow in their faith, knowledge of God's Word, and relationship with one another. We provide opportunities for learning and development through Bible classes, camps, and leadership seminars.

- **Excellence**

We strive to give our best in everything we do, whether in worship, teaching, service, or outreach. We are committed to continual growth, improvement, and teamwork, seeking to honor God through excellence in all areas of church life. We are committed to stewardship and accountability, seeking to use the gifts and resources God has given us responsibly and with integrity.

- **Multiplying**

We are called to multiply—whether it's leaders, LifeGroups, teams, or new church campuses. Our vision is to see the Kingdom of God expand through the multiplication of healthy churches and transformed lives.

- **Generosity**

We value a culture and attitude of generosity, both as a church and as individuals. We believe in giving sacrificially and cheerfully, time as well as resources, to build up the body of Christ and serve our community.

- **Servanthood**

We are a church where everyone has a role to play. Serving one another, leading by example, and working together as a team are at the core of our identity. Empowered by the Holy Spirit, we serve others with humility and love.

- **Reaching the Lost**

Our mission is people. We are committed to reaching and rescuing the lost by sharing the compassion and love of God to those around us. We exist to bring the hope of Jesus to every person, home, and community—heart by heart.
